

HỒ TRÀM BEACH BOUTIQUE RESORT & SPA

A breeze of serenity

DESTINATION

Hồ Tràm is located alongside the coastal road of Ba Ria – Vung Tau which is 120 km far away from Ho Chi Minh City. It is known not only for some of its beautiful and pristine beaches, unspoiled waters but also large nature reserve.

Hồ Tràm boasts the beautiful weather all year round with the average temperature from 24 to 30 Celsius degree. It hardly gets the strong winds or typhoons in the winter season like the other destinations in the central.

LOCATION

Hồ Tràm Beach Boutique Resort & Spa is set on the most stunning beaches in the heart of Ho Tràm with only 1 hour 45 minute leisurely drive from Ho Chi Minh city.

The Resort provides the transfer service from Tan Son Nhat Airport/Ho Chi Minh City Center directly to Hồ Tràm (shuttle bus & private transfer)

DESIGN & CONCEPT

Stretching on 8 hectare land-side, Hồ Tràm Beach Boutique Resort & Spa is designed to blend the nature with soul of Vietnamese architecture featuring crafted dark wood furniture, Bat Trang ceramic tile, thatched roof and antique brick work. The resort provides a memorable experience for those who love the tranquility that the country side's eco-green and tropical beach setting brings.
