# Restaurant

Vietnam traditional foods: Despite the varied landscape of Vietnam, all of the cuisine contains this brilliant balance of aromatics, hear, sweetness, sourness, and fish-sauceiness. As with other Asian cuisines, it's all about the yin and yang; the fresh and the fermented. You will be treated to the best of Vietnamese and global cuisine on Mon Cheri. Our specially trained chefs have designed a menu which will make your dining experience on the cruise a great one. The ingredients are delivered fresh daily, and are of the highest quality.

## Halal food

Most uniquely, Mon Cheri features an additional Halal kitchen to take into consideration the special dietary requirements of some of our guests.

## HALAL DINING *On Mon Chéri*

To meet the demand of Halal meals in Ha Long Bay, we have added a special kitchen on the ship. It will be headed by an experienced chef from India who is ready to serve the most delicious meals prepared from authentic ingredients. This menu will also be available for other guests to enjoy. Whether you are dreaming of a robust curry or flavourful salad, our 5 star chef will be able to serve these, and more dishes, for your dining pleasure!

Mon Chéri Cruises has the Halal certification and food safety certification to ensure the best dining experience for you.
